overseas and for selected non-Agency personnel in (1) the history, doctrines, organization, objectives, activities and capabilities of international communism, (2) the techniques of anti-communist operations, and (3) area studies of the USSR not conducted in the Russian language.

Mr. Harry Rositzke is Chief of the School of International Communism and the USSR. The School is located in Alcott Hall.

25X1 [redacted] said that there will be some changes in the course schedules which were sent recently to the TLO's. The Office of Training will notify the TLO's through the UTR Bulletin of new course dates scheduled for the CMC and other courses to be offered by SAC/TR.

25X1 [redacted] TLO/CEI, requested that the prerequisites to the CMC be amplified or cancelled for those students of some tenure in the Agency who have not taken the EOC. [redacted] added that it was difficult to get the supervisor's permission for a student to be away from his desk for the additional two weeks' phase of the EOC to fulfill the prerequisite for the CMC. [redacted] said that this matter would be considered in the revision of the communism instruction. 25X

3. Training Reports for the Five Percent Quota

25X1 [redacted] reported that the recommendations in the recent staff study for the DDCI concerning the "5% training policy" were approved by the DDCI. An Agency regulation to implement the recommendations has been drafted for coordination. Its principal points are:

- 1) paragraph 3 of Agency [redacted] is rescinded, 25X
- 2) "on the job" training is defined for the purpose of the regulation, and
- 3) a reporting system is developed.

25X1 4. [redacted] TLO/ONR, suggested that notices on area and familiarization courses also include the course of study. He also inquired about including this type of information in the UTR Bulletin.

25X1 [redacted] inquired about including information in the UTR Bulletin of courses held especially for or restricted to enrollments of Junior Officer Trainees.

25X1 [redacted] said that this information will be included in future issues of the UTR Bulletin.

It was also announced that the UTR Semi-Annual Report on Area, Language and External Training will be issued in July.
